In accordance with **Executive Order 2020-115**

- **Social gatherings and organized events are permitted, but must:**
  - Allow for individuals from different households to maintain six feet of distance.
  - If indoors, the gathering or event does not exceed 50 people.
  - If outdoors, the gathering or event does not exceed 250 people.

- **In addition to the restrictions above, arcade, bowling alley, cinema, climbing facility, convention center, performance space, meeting hall, night club, sports arena, theater, or similar venue may, if it is indoors, be open to spectators or patrons, but only to the extent that it:**
  - Allows for individuals from different households to maintain six feet of distance at all times while in the venue.
  - Limits the number of people in the venue to 25% of its maximum capacity or to 250, whichever is smaller. For purposes of this order, each separate auditorium or screening room is a separate venue.

- **In addition to the restrictions above, a concert space, race track, sports arena, stadium, or similar venue may, if it is outdoors, be open to spectators or patrons, but only to the extent that it:**
  - Allows for individuals from different households to maintain six feet of distance at all times while in the venue.
  - Limits the number of people in the venue to 25% of its maximum capacity or to 500, whichever is smaller.

- **This guidance does not apply to the incidental gathering of persons in a shared space, including an airport, bus station, factory floor, restaurant, shopping mall, public pool, or workplace.**
THANK YOU FOR SOCIAL DISTANCING

Social distancing is maintaining 6 feet around yourself at all times. These physical distance hints may put things in perspective.

**SAFEST**
- Staying home with only people you live with

**SAFER, SOME RISK**
- Small outdoor gathering, keeping at least 6 feet apart

**RISKIEST**
- Singing with a large choir in a small room

**ALWAYS REMEMBER**
- Washing hands well and often reduces risk in all situations. If you don't have soap and water, use a hand sanitizer that contains at least 60% alcohol.
- Stay home if you're feeling any mild symptoms, except to get medical care.
